

The Campbell Group

 ACRISURE Agency Partner

We are excited to announce that we are now offering you a \$100,000 Cyber Liability policy!

Please find the attached brochure that outlines what you need to know regarding the details of this coverage.

On your payment link, you will see the Cyber Liability coverage as a built in option. If you decide that you do not want to carry this coverage, there will be a form to complete and return to us acknowledging that you accept the risks of not having Cyber Liability coverage in place.

In the Professional Investigation & Security Guard industries, you will find yourself at a high risk of exposure to Cyber related loses.

- Storage of sensitive client information
- Storage of sensitive personal & employee information
- Payments being received/made by your company electronically

Our new policy offering is available to you at a \$90 flat fee* for the year, with coverages that extend well beyond that value-wise.

If you would like to explore options with higher coverage, please reach out to your account manager for details and pricing.

*Please note: Due to the price point of this coverage, it is pay in full and fully earned. We are unable to include this in a payment plan for you and if cancelled during the term there will be no refund.

Sincerely,

Kevin Whaley

The Enterprise Cyber Liability Program protects businesses for the cost of an actual or suspected violation of a privacy regulation due to a security breach that results in the unauthorized release of protected personal information which is any private, non-public information of any kind in the merchant's care, custody or control.

The Enterprise Cyber Liability Program is facilitated through the North American Data Security RPG (named insured on master policy), a risk purchasing group which is registered in all 50 states and the District of Columbia. The master policy is underwritten by AXIS Insurance Company, an A+ rated insurance carrier by AM Best.
